COED RESIDENTIAL AND DAY
CATHOLIC HIGH SCHOOL

January 6, 2020

Hello Villanova community,

We hope that everyone is staying safe and enjoying the Christmas break. We wanted to send out a couple of reminders as we prepare to return to campus on January 19.

- 1) We are asking all families to complete the following form indicating whether or not your student will be attending classes on campus. Please complete the form no later than Monday, January 11, so that we can make the appropriate adjustments to student cohorts. Students need to be attending on campus classes to participate in on campus extracurricular activities.

- 2) All students, faculty, and staff are required to submit a negative test result from the week of January 11. We will be offering testing on campus on Wednesday, January 13, from 9 am to 3 pm. If you would like to attend the testing on campus, please complete the attached form to bring with you to the COVID test and complete the RSVP form below. All students testing on campus will need to complete the testing form and bring a copy of their health insurance card. If you would prefer to test through one of the county sites or your own health care provider, you may do so.

We will continue with rolling COVID testing throughout the semester. Every other week, 25% of the school population will be assigned to complete COVID testing. This is designed to be a preventative measure and to monitor for any potential outbreak on our campus. We should be able to continue to offer testing on campus throughout this process. More details about the rolling COVID testing will be released later this month.

If you have any questions about the return to school and our ongoing COVID prevention plans please contact Dr. Matthew Mallon at mmallon@villanovaprep.org or Mr. Brian Roney at broney@villanovaprep.org.

Thank you and God Bless!
