GPS: Enter this address into your GPS System for directions to our parking lot:

700 East Villanova Road

This address will put you at the front gate. When you reach the front gate, stay to the right and follow the road to the large parking lot on the left and look for team members who will greet you once in the parking lot and direct you to check in.

For those coming from North of Ventura it is recommended to take Highway 33 into Ojai from the 101 it is exit 70B (rather than Highway 150 which is just south of Carpinteria and VERY windy).

*Google and other maps list the address as 12096 North Ventura Ave. and that is correct, the other address gets you closer to the front gate and parking lot.
