## Br. Stephen McKenna, O.S.A. Scholarship

### Promise in Social Studies

Name of Applicant: \_\_\_\_\_

Villanova recognizes, first and foremost, the potential in every student and seeks to provide an environment that nurtures this potential. These high school years are the most formative in a young person's life and we walk together – student, parent, educator – on this journey. Each student's talents are unique, some are special.

Villanova actively seeks to enroll students with particular talents and skills that enhance the learning experience. Scholarships are awarded to certain students in recognition of those particular gifts that enrich the learning experience, as a way to invest back into the school community.

Brother Steve was a history enthusiast, a Civil War re-enactor and an engaging teacher of religion and social studies. With an historical perspective on world cultures, he gave special pastoral concern to resident students and encouraged students in their study of history.

**Br. Stephen McKenna, O.S.A. Scholarship is awarded to students of promise in the study of history and social studies. Students should be academically successful in their current social sciences courses and show an interest in this area of study.**

**To be considered for this scholarship, the applicant must submit all of the following by January 31:**

- application for admission, including all supplements (should already be on file with the Admission Office)
- **Br. McKenna Scholarship application**
- **sample portfolio of work**

The portfolio of work should only include 1-3 items that embody the student's promise in social studies. This could include a written sample, school or service project, video or any other creation. The portfolio is meant to give life to the student's scholarship application, but should not be overly extensive. Keep in mind this portfolio will not be returned.

The Scholarship committee is comprised of members of the Admission Team and faculty. After the committee reviews each scholarship application thoroughly, a select number of students will be awarded an amount deemed appropriate. The scholarship award will be no less than \$1000 and will be awarded for all years of attendance.

Certain expectations are set upon these scholarship recipients. Students must remain in good standing and share their recognized skills with the school community.

**We, the parent and student, verify the information contained within is accurate and understand the portfolio will not be returned.**
