SECTION I: MISSION AND PHILOSOPHY

MISSION
In the Augustinian tradition, the Mission of Villanova Preparatory School is to graduate mature young adults of diverse backgrounds who reflect the qualities of truth, unity, and love. The school does this by providing a challenging college preparatory curriculum and Catholic environment that promote the development of mind, heart and body. These young adults will think, judge, and act in ways that are sound and in keeping with the teachings of Jesus Christ.

PHILOSOPHY AND PURPOSE
Villanova is a non-profit Roman Catholic high school operated under the auspices of the Western Province of the Order of St. Augustine. Located in the Ojai Valley, it is a coeducational, college preparatory school, offering both boarding and day programs for grades 9-12, and a program of support for English language learners.

Villanova Preparatory School strives to display the characteristics that mark it as an Augustinian school as stated in the Educational Mission Statement of the Schools of the Province of St. Augustine. These characteristics include an emphasis on the primacy of love, a dedication to seek the truth, a fostering of tradition, a desire to serve a diverse population, and a commitment to build community among our faculty, students, staff, parents, and alumni.

The School serves students who indicate their desire to succeed in a strong academic curriculum. Following the liberal arts tradition, the curriculum aims at preparing each student for admission to a university. The curriculum acknowledges the traditions of Western Civilization and places particular emphasis on Judeo-Christian values and teaching. The program of studies seeks to provide the student with necessary skills for a successful life in a world of rapid technological and social changes. The School emphasizes effective oral and written communication, study skills, critical and interpretive thinking, and the ability to make rational, informed judgments.

To help students become mature citizens of the City of God, Villanova provides religious instruction that is true to Catholic doctrine and which echoes the teachings of St. Augustine. In addition, the School strives to give non-Catholic students an understanding of Catholicism and helps them nurture their own spiritual development. (Mission and Philosophy Continued)
As a community in which students, teachers, and parents share in the life of the Holy Spirit, the School tries to foster a spirituality for each individual that promotes a concern for issues of charity, Christian service, and justice in daily life.

Villanova recognizes that parents are the primary educators of their children. Therefore, the School encourages their full cooperation in their children’s education.

The School attempts to educate the whole person. As a result, it provides students with extracurricular programs and athletic activities that challenge, inspire, and develop sound bodies and minds. All activities at Villanova seek to promote social responsibility and teach students how to work harmoniously with others in achieving common goals.
By creating a positive and caring environment for both resident and day students, Villanova promotes learning, love, unity, and respect for others as primary considerations. The School’s ultimate desire is to graduate students who think, judge, and act in ways which are sound and in keeping with the teachings of Jesus Christ. In the Augustinian tradition, we also desire to graduate young adults who express to the world the qualities of love, truth, and community.

NON-DISCRIMINATION POLICY
Villanova Preparatory School, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color or national and/or ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school.

Villanova Preparatory School does not discriminate on the basis of race, color, disability, sex or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school administered programs, although certain athletic leagues and other programs may limit participation.

While Villanova Preparatory School does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student’s emotional, academic and physical abilities and the resources available to the school in meeting the student’s needs.

HISTORY
Villanova Preparatory School was founded in 1924 by the Augustinian Order at the request of the Bishop of Los Angeles, John Cantwell, to meet the increased demand for a Catholic resident and day school for boys in the Southern California region. In 1970, the School admitted girls as day students, and it became completely coeducational in 1987 when girls were accepted as residents. Today, Villanova Preparatory School is the only coeducational, resident and day, Catholic college preparatory and International Baccalaureate World school in the western United States.

THE AUGSTINIANS
The 3,000 priests and brothers of the Order of St. Augustine throughout the world are active in ministries which serve society and the Church. With a heritage stretching back to St. Augustine of Hippo (354-430), the Order of St. Augustine is in the tradition of the Mendicant Orders founded in the 13th century. It is an apostolic fraternity at the service of the Church

SECTION III: RELIGIOUS ACTIVITIES

As Roman Catholic school, religion is an integral part of campus life at Villanova. For Catholics, other Christians, and non-Christians, the religion program invites students to examine an important aspect of their lives and culture, and provides them with a rare opportunity over a period of time to reflect on this essential part of human existence. A goal of the School is to see each student develop strong and durable values, a sense of self-worth, and the tools necessary to make ethical decisions.

Morning prayer and Pledge of Allegiance
Each morning we will gather at the Grotto and we will be led in a morning prayer, the Pledge of Allegiance and listen to the daily announcements.

Class prayer
Each class will begin with a prayer. Teachers may lead or assign a student to read a prayer or reflection or select a passage from Scripture. (Villanova Student Prayer located at the end of this handbook)

Mass
All School Mass is celebrated by the entire community regularly throughout the academic year. Special liturgies include: the celebrations of the opening of the school year, retreat Masses, Grandparents Day, Holy Days of Obligation, the Junior Leadership Mass, and the Baccalaureate Mass. Mass/Liturgy is also celebrated daily in the School Chapel at 7:00a.m.

Reconciliation
The opportunity for the Sacrament of Reconciliation for Catholic students is made available at lunch and with special celebrations during the seasons of Advent and Lent.

Spiritual Growth
Campus ministry helps organize various prayer meetings; Bible studies, all school prayer/reflection assemblies during the school year. Campus ministry develops growth opportunities based on the spiritual needs of our students.

Retreats
Retreats are considered activities which are an integral part of the School’s curriculum. The freshmen, junior, and senior classes participate in overnight retreat away from the campus. The sophomore and class has days of reflection held on or off campus. Students are required to attend retreats. Attendance is subject to class credit.

Christian Service
All Students graduating from Villanova are expected to engage in Christian Service. The campus Ministry Office coordinates many service opportunities to fulfill this expectation, including: assisting with food drives, soup kitchens, homeless shelters, and retirement centers. Freshmen are responsible for completing 10 hours of Christian service throughout the year; sophomores, juniors and seniors are responsible for 20 hours. These hours are categorized by campus and community hours. Additionally, each student will participate in a service project on Tribe Service Day. Students who miss Tribe Service Day will make up the project under the guidance of the Campus Ministry Office.
Campus Hours: Five of the hours a student serves each year will be campus hours. These hours may be fulfilled through clubs, helping teachers or other staff on campus, giving tours, etc.

Community Hours: The remainder of the required hours should be completed off campus in the local community. Students are expected to identify a genuine need in the community, educate themselves on the need, and engage in meaningful service to address that need. Students will fill out a Campus Ministry Reflection form each time they engage in service.

Service Hours are expected to go beyond what students already do with their family. It is recommended that students pre-approve their “Community Hours” with the Campus Ministry Office to ensure the hours will be counted as addressing a genuine need.

Religion teachers will read the Campus Ministry Reflection forms, and may require a certain number of hours be completed each semester. In addition to these forms, religion teachers may require other assignments to assist students in reflecting on their service.

Students who exceed the minimum hours in quantity, quality, and variety of service may be considered for a Christian Service Award at the end of the academic year.

Student Records; Family Educational Rights and Privacy Act of 1974 (FERPA)
“An educational agency or institution may presume that either parent of the student has authority to inspect and review the education records of the student unless that agency or institution has been provided with evidence that there is a legally binding instrument, or a state law or court order granting such matters as divorce, separation, or custody, which provides to the contrary.”

Villanova Preparatory School abides by the provisions of the Family Educational Rights and Privacy Act of 1974 with respect to the rights of non-custodial parents. In the absence of a court order to the contrary Villanova Preparatory School will provide the non-custodial parent with access to the academic records and to the other school-related information regarding his/her student. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order. If a parent wishes to view his/her student’s official folder, a request must be made in writing to the attention of the Head of School. Upon receipt of the written request, the Head of School will make the student’s official folder available within twenty-four hours.

SEMESTER EXAMS
At the end of each semester, a comprehensive semester project is assigned or comprehensive final exam administered. Semester grades are the average of all semester class work and homework plus the semester exam or project. Only students who have a note from a physician will be excused from school scheduled semester exams, any other circumstance will be reviewed by the Head of School. The administration will determine when the student will make up the exam. The weight of the final project or exam is determined by the respective academic department. It is at the discretion of the administration whether or not an expelled student will be allowed to take semester exams.

Policy for Extended Time: Villanova will allow a student extended time on tests if the student has been evaluated by a licensed educational therapist or psychologist and a professional recommendation has been made to accommodate the student’s particular learning needs. Documentation must be submitted to the school in a timely manner.
ACADEMIC HONESTY POLICY

As Truth is a core value of Villanova, a positive and trusting relationship between teacher and student is at the heart of the school. All Villanova students are expected to live by the principles of honesty and mutual trust. Cheating, as defined below, may have both academic and disciplinary consequences. Students may be required to submit written work to TURNITIN.COM. Cheating implies intent to deceive. It includes all actions, devices, and/or deceptions involved in committing the act. Examples include, but are not limited to, utilizing crib notes/cheat sheet on an exam and copying answers directly from another student’s exam. Cheating may include:

- Copying someone else’s work, homework, quizzes, other graded work or tests, or knowingly giving one’s own work to someone else to copy/use;
- Plagiarizing: stealing and passing off the ideas and words of another as one’s own, or using the work of another without crediting the source;
- Using unauthorized testing aids, including unauthorized technology;
- Asking, receiving, or giving information about the contents of an exam to another student;
- Submitting work that is not your own.

Plagiarism
In high school and college courses, we are continually engaged with other people’s ideas; we read them in texts, hear them in lecture, discuss them in class, and incorporate them into our own writing. As a result, it is very important that we give credit where it is due. Plagiarism is using others’ ideas and words without clearly acknowledging the source of that information.

Examples:
- Presenting the work of another as one’s own (i.e., failing to credit the author/sources used in a work product) carelessly, knowingly and intentionally using another’s exact wording without indicating the information as a quote.
- Changing a few words in a sentence to disguise or hide the intent to plagiarize.
- Inadequately paraphrasing or summarizing ideas from a source.
- Failing to cite the World Wide Web, databases and other electronic resources if they are utilized in any way as resource material in an academic exercise.
- Inadequately citing work that does not clearly indicate what ideas or words were taken from another source.

Consequences
The consequences for cheating are:
First Instance
- The student will receive an “F” or zero on the assignment, test or quiz.
- The teacher will confer with the student and notify the parent of the incident and its consequences.
- Teachers must submit the infraction in writing to the Dean of Students.

Second Instance
As listed in the first instance and the following:
- A conference will be scheduled with an administrator, parent, teacher and student.
- Referral to the Dean of Students.
Subsequent Instances
As listed in the first instance and:

- A conference may be scheduled with the Board of Discipline.
- The Head of School may decide that the student will be removed from Villanova pending the outcome of the Board of Discipline.

ACADEMIC PROBATION POLICY
A student at Villanova is placed on Academic Probation if one or more of the following stipulations are applicable during any quarter grading period:

If any of the above occurs on a quarter grading period, students and parents/guardians will be sent a letter notifying them that they are on academic probation. Students on Academic Probation will not be allowed to participate in our Athletic Program or other school activities. If any of the above conditions are not remedied by the next grading period, the student may be asked to appear before the Academic Review Board.

The Academic Review Board consists of the members of the Academic Council headed by the Assistant Head for Academics. It is the responsibility of the student to have a transcript of class work sent to Villanova.

ATHLETIC ELIGIBILITY (ACADEMIC)
Standards for athletic eligibility have been set by the California Interscholastic Federation Office (CIF-SS). Athletic eligibility at Villanova is determined at every grading period. According to CIF-SS, students must have achieved an unweighted 2.0 grade-point average on a 4.0 scale in enrolled courses at the conclusion of the previous grading period. It is the policy of Villanova that any student that has a grade of F at the end of the grading period will be deemed ineligible for interscholastic athletics. A Villanova student who is placed on academic probation may also be deemed ineligible for interscholastic athletics, this will be determined by the administration. The day for establishing eligibility for the next quarterly period is the day following the issuance of the grade reports. All other criteria for establishing academic eligibility will be found in the CIF Southern Section Blue Book. Students who fail to meet the minimum 2.0 grade point average and no grade of F at the end of the second semester may regain eligibility through summer session attendance and may be eligible for the fall semester. The student must meet with the Assistant Head of School for Academics / Counselor who will recommend and authorize required summer course work. When new courses are taken during summer session grades shall be counted in the computation of the grade point average. If the average is 2.0 or better and no grade of F, the student shall be eligible for the next quarter of the next school year. As deemed by the school any student who fails to meet the minimum 2.0 grade point average or has a grade of F shall not participate in practices as well as competitions. Students placed on academic probation for having two or more D’s may be reviewed on a case by case basis as to participation in practices.

CSF has an extensive program of college relations and provides students with information regarding available scholarships. A list of colleges and universities throughout the United States, which earmark scholarships for Life Members, is compiled and made available annually.

Individual membership in the Villanova Chapter is based on grades earned each semester and on citizenship. A student must apply or re-apply for membership each semester. If a student has three semester grades of 4.0 or above and one semester grade of 3.0 or above, with no grade below 2.0, he or she may be eligible academically for CSF. The faculty is asked to review the list of applicants and determine if the student meets the citizenship requirements. A student who is a sophomore, junior, or senior may qualify for
full membership. Freshmen may qualify for associate membership. Students become Life Members, or Seal Bearers, if they are members of CSF for four or more semesters in their last three years of high school, one semester of which must be in their senior year. Information about the application process will be provided by the CSF moderator shortly after the beginning of the academic year. Copies of report cards must be provided when applying for membership; the School will not produce an extra copy for that purpose.

NATIONAL HONOR SOCIETY
The National Honor Society (NHS) is a national organization of 12,500 high schools and is run by the local chapters. A chapter was first established at Villanova in 1950. This policy serves to define expected standards of behavior by all users of electronic systems, devices, and materials within the school. Violations of this policy will result in the revocation of privileges to access and use electronic systems, devices, or materials as well as disciplinary review that may result in suspension or expulsion from school.

SECTION V. SUPPORT SERVICES

Philosophy Statement for the Counseling Department
Villanova Preparatory School strives to emphasize the characteristics of the primacy of love, a dedication to see the truth, the fostering of tradition, the desire to serve a diverse population, and the commitment to build community among our faculty, students, staff, parents, and alumni. The Counseling Department integrates these characteristics, framed by the core values of truth, love and community, through the offices of College Counseling and Guidance Counseling for day and resident students. Our counselors work to involve all parts of the school community in fostering the well-being of the student. Together the Villanova Preparatory School counselors spearhead a comprehensive program which serves the needs of our students through individual conferences, group sessions, and classroom presentations.

The College Counseling Office works individually with each student to guide him or her as they undertake the search for a match with the college that best meets their needs – spiritual, academic, personal, and social. The college counselors serve two roles. First, to serve as a resource of information for students and parents. Second, to serve as a link to college admission officers—helping them to understand our students’ accomplishments and experiences within the rigors of Villanova’s curriculum.

The Guidance / Counseling Office operates as a resource for students, parents, faculty and staff to discuss and advise on matters that may affect student success at Villanova. This may include spiritual, social, emotional, or academic well-being. A collaborative approach with families is highlighted, and parents of Villanova students are welcome to contact the Guidance Counselor at any time, whether it is regarding daily matters or more serious concerns. Confidential support is given to students and families. The Guidance Counselor works to create a positive relationship with the students at Villanova through individual counseling, programs and speakers, based on the needs of the school community.

HEALTH SERVICES
The School Nurse is responsible for the operation of Health Services, in particular overseeing the health needs of the resident students. The School Nurse is in the Nurse’s Office every weekday 7:00 AM until 2:00 PM. The School Nurse is present at all tribe day events. The nurse has secure cabinets for confidential medical records and medications. Day students may not see the nurse before school; they must present a pass from a teacher during the day if a student feels ill. No student will miss class for minor health reasons. Students will be given medication in compliance with the emergency card with parent approval, and the school nurse will determine if they are able to return to class. Students and their parents are obliged to make sure all health forms are complete and accurate including signatures of parents and doctors, physicals, sports physicals and immunization records. All students need to have completed an up-to-date California Immunization Record Card [blue].

Students need to see the nurse before they call home and have their pass to see the nurse if it is during class time.
SECTION VI. STUDENT LIFE (EXTRACURRICULAR PROGRAM)

RESIDENT LIFE PROGRAM
A handbook of regulations for resident students (Resident Life Student Handbook) is published with information that pertains to resident students. Day students are not permitted in the resident halls, Recreation Room, or Dining Hall (except during lunch hours) without permission from the resident staff. Day students found in these areas will be given a referral to the Administration.

DAY STUDENTS VISITING RESIDENTS AND RESIDENT LIFE FACILITIES
The dormitories, the Recreation Room, or any part of the campus, including the grounds, when the resident staff are the primary supervisors of the campus are subject to the rules and regulations as outlined in the Resident Life Student Handbook. Day students must be granted permission by the resident life staff and have their parents complete any required permission forms before being authorized to be on campus. Visiting campus outside school hours and school activities is a privilege. Day students must follow all instructions of the resident staff, and they may be asked to leave at any time.

RESIDENT HALL
Day students wishing to spend the night with resident students must be invited by a resident student and have all appropriate permission forms filled out and approved by the resident life staff before staying. Overnight stays will only occur on non-school nights unless specific permission is given by the Director of Resident Life. Day students requesting to spend the night for a reason other than being invited by a resident must receive permission from the Director of Resident Life, and there may be a fee for staying.

Day students who wish to have a snack, eat breakfast, or dinner at Villanova must be given permission by the resident life staff, and a charge will be billed to their school accounts for the meal or snack.

RESIDENT VISITS WITH DAY STUDENT FAMILIES
Day students are encouraged to invite residents to visit their homes or go on outings with their families during holidays and on weekends. Day parents should contact the resident life staff and verify they will be chaperoning the residents. Each resident’s parents give Villanova a copy of the restrictions they want for their child. The resident life staff will check these restrictions and make a decision on whether to grant permission.

CHANGE OF RESIDENT STATUS
Students who wish to change status from residents to day students or from day students to residents must obtain permission from the Head of School.

SCHOOL PROPERTY
Villanova tries to allow its students full use of all its facilities. However, legal questions, insurance problems, financial considerations, the needs of the resident program, and the dictates of common sense make it necessary to impose limitations. Normally, day students are not to remain on the property after 6:00 PM unless they are attending a school-approved activity.
In the interest of safety and adequate supervision, day students remaining on campus for athletic practice or competition are expected to leave within a reasonable time after the end of the activity. Day students may sign in for dinner at 6:00 PM at the cost of $7.00. Villanova’s facilities are used with the permission of the Director of Resident Life.

EXTRACURRICULAR, CURRICULAR, AND COMMUNITY-BASED ACTIVITIES
Villanova offers a variety of extracurricular activities for student participation. These activities are intended to provide an opportunity for the students to develop skills and talents in a healthy and constructive way outside of the normal classroom setting. Some extracurricular activities have grade point requirements, and all extracurricular activities require proper citizenship.

The life of the Villanova community includes a number of curricular-based and community-based activities, some of which are off-campus. Curricular-based are those activities which are requirements for full participation in a particular course. Community-based activities are those which the administration and faculty have deemed essential for the life of the Villanova community. These include, but are not limited to, all retreats, days of recollection, Nova Bowl Day, Service Day, Wildcat Day, International Day, and Beach Day.

Parents and students are to understand that curriculum-based and community-based activities are not optional. Students who do not attend designated activities will be excused from such only if a parent’s letter is accompanied by a medical notice signed by a physician. Such a note is to be brought to the administration office before readmission to classes. Students who are absent without a note from a physician will be considered having an unexcused absence.

Pick up/ Drop off Procedure
When entering campus all students and parents should drive straight down the access road to the student parking lot. The drop off/pick up procedure for parents will be for all drivers to drive around the parking area to the stairs keeping to the right so traffic will flow in one direction. There are traffic signs in the lot and they must be followed by all drivers. The speed limit on campus is 10 mph.

The Administration offices close at 4:00 PM daily. Students not involved in supervised after school activities should be picked up by 4:00 PM. If a student is involved in an extracurricular activity at night, he or she must wait with their coach or moderator until picked up.

Section 12814.6 of the State of California Motor Vehicle Code
Villanova expects all students to comply with the provisions of Section of the State of California Motor Vehicle Code. Villanova students found to be in violation of any of the restrictions of this section of the vehicle code will lose the privilege of driving on the campus.
**Student Parking Permits**

Students who drive to school must register in the main office all of the vehicles that they may reasonably expect to drive to Villanova. A sticker will be affixed to the lower right corner of the windshield by the Dean of Discipline. Students are expected to register a car the first day it is driven to Villanova. A copy of their Driver’s License, current insurance and a parent signature are required. Parking Permits will be available throughout the year in the Main Office.

**Safe Driving on Campus**

Students driving on campus must be extremely cautious at all times. Students who abuse the privilege of driving will not be permitted to bring cars on campus. The maximum speed limit on campus is 10 m.p.h.

**Students Going to Vehicles During School**

Students must have permission from the Administration before going to any car at any time during the school day, including during lunch and break times.

**BUS SERVICE FOR CAMARILLO, OXNARD, AND VENTURA**

School bus service is available for a fee for students residing in Camarillo, Oxnard, and Ventura. At present, there are two stops in Camarillo, one in Oxnard, and three in Ventura.

A separate School Bus Schedule and Contract will be provided to all parents living in those communities served by the schoolbus/van. Only contracted students may ride the bus/van. The bus/van schedule is designed so that the bus arrives at Villanova prior to 7:50 AM. In the afternoons, the bus will leave the School at 3:30 PM and 6:00 PM unless otherwise specified. Questions concerning the bus should be directed to the administration. Bus schedules are subject to change.

**THE ATHLETIC PROGRAM**

As a “Catholic Augustinian” School, Villanova is committed to values that include the development of the human spirit as well as the body, the pursuit of excellence in all endeavors, the fostering of Christian character, the call to personal integrity and the acceptance of personal responsibility. The purpose of Villanova’s athletic program is to provide competitive opportunities to students which foster physical, spiritual, social and emotional benefits along with a sense of sportsmanship and leadership. Team practices will begin based on CIF Southern Section Guidelines. The Athletic Director is the primary source of information concerning interscholastic sports and scheduling. The interscholastic sport seasons are Fall, Winter and Spring. Fall Sports are: Football, Girls Volleyball, Girls Tennis, and Boys’ Water Polo. Winter Sports are: Boys and Girls Basketball and Boys and Girls Soccer, Girls Water Polo. Spring Sports are: Boys Baseball, Girls Softball, Boys and Girls Sports are: Swimming, Golf, and Track & Field.

Most of the Sports at Villanova offer interscholastic competition in Varsity and Junior levels. Placement at a specific level is determined by the Head Coach of the sport.
Athletic Program Philosophy for Athletes and Fans
Villanova Athletics believes strongly in the ideal of “Pursuing Victory with Honor” and “Playing Like a Champion”. The commitment to hard work, dedication to team, respect for all, and the embracing of good sportsmanship are cornerstones of the program. Our coaches, players, parents, and fans are expected to display these qualities at all times.

All athletes, fans (parents and students) should adhere to these guidelines:

- Leave the coaching to the coaches
- Treat opposing team and fans with respect
- Cheer for good play by both teams or individuals
- Do not ridicule or harass officials before, during or after the game
- Control emotions and be cautious of your tone of voice

Failure to adhere to these guidelines may lead to the removal of the parent, student or fan from sporting events at Villanova indefinitely.

Villanova Athletics is guided by the belief that faith and family must come first and that participation in athletics must be accompanied by excellence in the classroom. Villanova Athletics also believes in the value of competition and the life lessons that are learned as a result of participation in a competitive natured program.

It is the desire of Villanova Athletics that all student athletes who participate in our program develop life skills that would include: the ability to work with others effectively, the ability to lead others in a positive manner, the ability to perform at his/her best in competitive situations, the ability to enjoy athletic activities, the ability to interact respectfully with team members, opponents and officials, and the ability to develop a personal lifetime fitness philosophy.

SECTION VII. STUDENT CONDUCT AND ATTENDANCE

CODE OF STUDENT CONDUCT

Philosophy
In order to create an environment of Christian living where young women and men can be free to achieve their potential academically, emotionally, spiritually, and athletically, it is essential to maintain a disciplinary system which stresses the responsibility each student has towards herself/himself and others. Villanova students are expected to manifest self-discipline and self-direction. Conduct guidelines at Villanova are designed to foster respect for self and others, their person, feelings and property. The basic premise is that no student will prevent a teacher from teaching or another student from learning. Students who choose to disregard school policies will be held accountable for their actions. Maturity, character, and Christian values are encouraged and developed by accepting the consequences of inappropriate behavior.

Any conduct unworthy of a Villanova student and the orderly progression of the school is prohibited.

A student’s discipline record is cumulative throughout the entire school year and his or her time at Villanova. A student may receive a referral once he/she has received his/her fourth detention, regardless of the origins of the four detentions.

ORDER OF CONSEQUENCES
1st Referral: Three detentions or referral infraction...A letter and/or phone call to parents.

2nd Referral: Three detentions or referral infraction... A letter and/or phone call to parents.

3rd Referral: Three detentions or referral infraction... 1 day suspension and conference with parents.

4th Referral: Three detentions or referral infraction... Board of Discipline hearing.

A student will receive a referral which includes a letter or phone call to the parent for a fourth detention regardless of the origin of the fourth detention.

Referral
In some cases, insuring that a student understands the nature of his/her infraction and the potential risk to a Villanova education is sufficient to deal with a referral. Further action may be taken by teachers or the Administration. Detention, loss of privilege, or other appropriate consequences may be assigned for a referral infraction. The student’s parents will be contacted by phone or letter when a student reaches a referral infraction level.

Detention
A student may be assigned to multiple detentions depending on the severity of the infraction. The Dean of Students, Assistant Head of School for Academics, the Director of Resident Life, and/or faculty and staff members may assign detention. Students are expected to serve detention on the day of their assignment to it. A student assigned to detention must report to a designated room at a specified time for a supervised detention period up to 60 minutes. Students must see a designated administrator to be permitted to miss detention.
An assignment to detention takes priority over all other after school activities, including sports practices, games or matches, and/or events. Failure to appear for detention will be viewed as failing to follow direction.

Students assigned to detention will be permitted to bring assigned reading to detention for the purpose of study. No writing utensils or electronic devices are permitted. Only class assigned reading may be brought to detention. What constitutes appropriate reading material will be at the discretion of the detention moderator.

On some occasions, students will be assigned non-hazardous work, such as litter removal, cleaning of specific areas, or clerical tasks in lieu of regular detention to meet the needs of the School.

Restriction of Activity/Loss of Privilege
Students may be restricted from participating in certain activities such as being allowed to eat lunch in the campus location of his/her choice, attending one or more social functions, or participating in or attending one or more athletic events.

Students may lose privileges normally available to all students or to members of a specific class. Students’ privileges that may be taken away include but are not limited to: The right to drive a car to campus, and/or serving as class officer, dormitory representative, or ASB officer. In addition, failure to follow the School’s policies on the use of computers may result in the loss of access to all Villanova computers and electronic devices.

Students may also be restricted from attending class due to their appearance. The student may seek to correct the violation of the dress and grooming code either by borrowing articles of clothing from other day or boarding students, or by contacting a parent to bring articles to the School. Villanova is a closed campus as ruled by the Board of Directors. Students are not permitted to leave campus during the school day to change clothes unless given permission by the administration. Students may or may not be allowed to make up any work/exam/quiz missed as a result of missing class for inappropriate dress.

Suspension
Suspensions may be assigned for specific infractions or for a cumulative series of lesser infractions. Any absence from class due to a suspension will be unexcused and work missed may not be made up. A student need not ever have been assigned detention to be suspended. Suspensions will be from one (1) to five (5) days, students will be given verbal notice of suspension and the reason for it. The Administration will give the initial notice of the suspension to the parent/guardian in person, or by telephone or written form, as soon as possible. The administration will provide the parent/guardian with a written notice of the suspension and the reason. The suspended student and his/her parent or guardian must confer with the administration to clarify the student’s status at Villanova. In some cases, the conference may be by telephone. The Administration will retain records.

Suspension means that the student is to remain away from school classes and all school activities for a definite period of time. At the discretion of the administration, however, a student may receive an “In-House Suspension,” for which he/she will report to school at a regular time, but will remain isolated from the student body. In-House Suspensions will usually be reserved for resident students.
Suspensions given by the Assistant Head of School for Students or the Director of Resident Life to resident students will not follow the procedures outlined in the *Handbook for Resident Students*. The attendance and academic provisions of this section of the *Villanova Student Handbook* will apply once the suspension is given.

**Expulsion**
A student who refuses to cooperate with the school officials despite parent conferences, or a student who has been determined to be guilty of a more serious offense, may be asked to leave the school. Expulsion, the permanent termination of a student’s enrollment, is the most serious penalty which the school can give and is therefore given for a clear and serious cause.

Ordinarily, a student will be expelled after the following steps have been taken by the school:
1. Conference with parents, student and appropriate school personnel.
2. Suspension or suspensions.
3. Conference with parent, student and a Board of Discipline.

**BOARD OF DISCIPLINE**
The Board of Discipline exists to consider more serious disciplinary cases. The Board of Discipline consists of the Dean of Students, and four faculty members or administration. The Director of Resident Life attends when investigating and presenting cases of resident students. The designated administrator details and documents cases, discussions, and recommendations of the Board of Discipline which are confidential. He or she notifies the student’s teachers in a timely fashion only whether the student is suspended, returned to class, or asked to withdraw.

A student appearing before the Board of Discipline may request parents, an additional teacher/administrator to attend the meeting to act as an observer and advisor on behalf of the student. The teacher/administrator may participate in the discussion but not have a vote on the Board of Discipline nor participate in the deliberation.

**APPEALS**
A student who wishes to appeal a suspension may do so in writing to the Head of School within one week of the decision. The written appeal should be directed to the Head of School and should state the reasons for the appeal.

A student appealing the decision of the Board of Discipline may do so in writing within one week to the Head of School. The Head of School may establish an Appeals Advisory Committee to consider the matter. This Committee validates due process in the specific case and does not reheat the evidence. The Appeals Committee will consist of an administrator as chairperson, the four class moderators (a member of the Board of Discipline will serve as a non-voting member of the Appeals Committee for informational purposes).

1. The Appeals Advisory Committee will recommend one of the following steps to the Head of School: Uphold the previous decision of the Board of Discipline;
2. Request that the Head of School diminish the penalty of the Board of Discipline. The final decision of all appeals rests with the Head of School.
CODE OF CHRISTIAN CONDUCT COVERING STUDENTS, PARENTS AND GUARDIANS
The students’ interest in receiving a quality, morally based education can best be served if students, parents and school officials work together. Normally differences between these individuals can be resolved. In some rare instances, however, the school may find it necessary, in its discretion, to require parents or guardians to withdraw their children.
It shall be an express condition of enrollment that the students and parents or guardians shall conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. These principles include, but are not limited to the following:

- Parents or guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral and behavioral expectations of the school.

- Students and parents or guardians may respectfully express their concerns about the school operation or its personnel however they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile or divisive.

- Any parent or guardian or other person whose conduct in a place where a school employee is required to be in the course of his or her duties materially disrupts class work or extracurricular activities involves substantial disorder is guilty of a misdemeanor. This statement does not apply to any otherwise lawful employee concerted activity, including but not limited to, picketing and distribution of handbills.

- Any parent or guardian or other person who insults or abuses any administrator or any teacher in the presence of other school personnel, students or parents and at the place which is on school premises or public sidewalks, streets or other public ways adjacent to school premises or at some other place if the administrator or teacher is required to be at such other place in connection with assigned school activities, risks the continuation of his or her child in the school.

These expectations for students and parents or guardians include but are not limited to, all school sponsored programs and events. (E.g. extended day activities, athletics, field trips, etc.)

The school reserves the right to determine, in its discretion, when conduct is of severe nature as to warrant immediate action without warning and / or without an intermediate step short of withdrawal.

ACCEPTABLE USE POLICY FOR CELL PHONES, COMPUTERS, OTHER TECHNOLOGY ON or OFF-CAMPUS

Use of a music device or cell phone during class is prohibited and is an infraction listed in the Code of Student Conduct. The consequence is a detention for the first offense. Cell phones or music players will be confiscated by teacher or staff member and then turned in to the Dean of Students.

The unauthorized capturing of images or taking of pictures of faculty and students for purposes of harm, ridicule, harassment or other unchristian behaviors is considered a serious matter. Furthermore, the faculty and administration are concerned for the safety of students and reckless sharing of personal information, pictures, or images explicitly or in code with peers and/or strangers on websites, chat rooms,
on-line journals, etc. that have public access. While students have the right to self-expression, they may not violate the rights of others. Nor do they have the right to bring harm to the reputation of the School and others associated with the Villanova community.

Refer in this Handbook to the School’s Policy on Off-Campus Incidents and Behavior for guidelines that are applicable in the use of cell phones, computers, and other technology for communication. The administration will deal with these matters on a case by case basis to determine the consequences. Refer to the Acceptable Use Policy for Computers in the Student Handbook that deals with on-campus matters directly.

**SUBSTANCE ABUSE POLICY**
Villanova Preparatory School respects the dignity and worth of each human being. We therefore find that student use of alcohol, abuse of drugs, or misuse of any other substances is incompatible with our mission and philosophy. The School has a three-pronged approach to include education, intervention and discipline.

The School does not condone or accept substance abuse and reserves the right to review these actions of Villanova students regardless of when or where such actions take place if they are of such a nature as to bring discredit to the school or if they are in conflict with our Christian values or laws. The policy of Villanova Preparatory School with respect to substance abuse will attempt to take into account the totality of the person, the root cause, and the context of any offense. Please refer to the substance abuse policy published on our website.

**RECOMMENDED TRANSFER**
A recommended transfer is a determination by the School and family that continued attendance either will not profit the student or will make demands that the School cannot meet. Recommended transfer is appropriate for some students in behavioral difficulties or who are deficient in academic credits. Transfer terminates attendance but does not leave the stigma of expulsion or failure. Recommended transfer involves cooperation between the School and the family to find a better choice for the student before events dictate that choice.

The lead administrator in each case will retain a record of the process, including written approval by the parent/guardian.

**Procedure for Recommended Transfer**
When the School determines that recommended transfer would be in the best interest of a student, the Dean of Students or the Director of the Resident Program will arrange a conference with the parent/guardian of the student to explain the student’s situation and outline the advantages and disadvantages of various courses of action, including recommended transfer. If the parent/guardian agrees to recommended transfer, the School, if requested, will make an effort to assist the family in finding other schools that might be more appropriate for the student.

**OFF-CAMPUS INCIDENTS AND BEHAVIOR**
Villanova Preparatory School does not wish to supervise the lives of students away from school. Nevertheless, when Villanova students become involved in incidents off campus that directly affect other students or members of the administration, faculty, or staff, or damaged the reputation of the School, the school may hold students accountable for their actions. (Examples include un-Christian behavior directed
toward others in local communities, parties, citations or arrests for vandalism or alcohol/drug-related offenses, or inappropriate use of technology for communication.)

Villanova’s response will be based on the following:

1. Whether the incident brought harm or threatens harm to any member of the Villanova community. Whether the incident put any member of the Villanova community at risk. (Note: The Villanova community consists of students, faculty, staff, parents, and others associated with the School).

2. Whether this incident constitutes, or results in, an effort to intimidate or harass any member of the Villanova community.

3. Whether this incident damages the property of any member of the Villanova community.

4. Whether the actions of the individual or individuals in the incident violate the basic standards of behavior and civility that are considered essential for attending Villanova.

5. Whether a student is cited or arrested. Whether drugs, alcohol, theft, vandalism, or violence were factors.

6. Whether the family and/or student are forthcoming with all of the details of the incident, including legal issues.

7. Whether the incident brings harm to the reputation of the School.

The facts related to the above questions will determine whether the administration believes the School in connection with an off-campus incident requires any action. If a student is assigned probation by the judicial system for off-campus behavior, the family must inform the Villanova administration. The School will evaluate the situation in the best interest of the student and Villanova. The key factor will be the reason for the probation. It is the expectation that if a student is on probation, Villanova is notified.

**ATTENDANCE**

Students are expected to be present at all classes, meetings, and assemblies mandated by the school administration in order to insure optimum learning opportunities. Curriculum-related activities such as retreats or trips associated with religion classes, Nova Bowl Day, Tribe Service Day, Wildcat Day, and Beach Day are considered part of the curriculum. Additional curriculum-related activities may be added by the administration. Willful absence from these events may lead to disciplinary action.

**Reporting Absences**

Students who are absent during a school day are to have a parent or guardian telephone the school before 8:00 am (646-1464 Ex. 110), and explain the reason for the absence. The reception of this call by the school does not imply that the absence will be excused. Resident Life Staff and the School Nurse will report absences to the School Receptionist in the case of resident students.
On the day that a student returns to school following an absence, a note written and signed by the parent or guardian stating the reason for the absence must be presented to the School Receptionist in order to gain a re-admit slip for classes. The Education Code of California requires that a note remain on file. This note must be presented before attending class; students who fail to obtain a re-admit slip before reporting to class will not be excused for their lateness to their first class.

**Excused Absence**

- Valid illness verified by a signed note from a parent/doctor (absences in excess of 3 days in a row must have a note from a doctor).
- Medical, dental or optometry appointment (doctor’s note required).
- Attendance at a funeral of an immediate family member (note from parent).
- Approved school sponsored activity including: class retreats, academic activities, athletic activities, appointments with any Counseling Department member.
- Exceptional circumstances pre-approved by the administration.
- Excused Absences must be cleared and pre-approved by the administration.

**Unexcused Absence**

- All absences taken with the permission of the parents/guardians, but not that of the School
- College visits are not automatically considered excused absences (See college visits below).

**Extracurricular Participation**

A student who has an unexcused absence for the day cannot attend or participate in any athletic activity or school activity on that day. A student who has an unexcused total day absence on Friday cannot attend/participate in any athletic activity or school activity on the weekend without the approval of the Assistant Head of School for Academics.

**College Visits**

Summer vacations, the extended Christmas vacation, and Presidents’ Weekend break and Easter vacation afford opportunity for college visits.

Specific appointments required as part of the application process for scholarships will be excused absences. Prior approval must be given by the Assistant Head of School for Academics.

Seniors may be given up to two excused absence days for college visits. Prior approval must be given by the Assistant Head of School for Academics.

Appeals regarding specific absences related to college visits may be made in writing for review by the Academic Council. Submit appeals to the Assistant Head of School for Academics.

**Excessive Absence**

Parents/Guardians will be notified by the administration when the student has accumulated 355 minutes or 5 block periods, excused or unexcused, in a class that are not related to a school sponsored
event or activity. If the student has had 500 minutes or seven block periods more absences excused or unexcused, in any given class period during the semester, nonrelated to a school sponsored event or activity the student’s record will be reviewed by the counseling staff to determine referral to the Head of School or designated administrator in order to remedy the situation. Consequences may include being withdrawn from the class, not participating in extracurricular activities, being assigned an incomplete, or a fail grade. Exceptions will be considered in the event of extremely serious illness, family emergencies, and/or death in a family.

Planned Absence
The Administration determines whether activities and/or extended trips will be excused. Requests for pre-approval of such absences should be directed to the Assistant Head of School. Students seeking permission in advance to be excused from school or specific course periods must obtain prior permission using The Absentee Permission Form because they will be considered absent from that course. Missing a class is considered an absence, whether excused or unexcused. It is the responsibility of the student to complete this form. Assignments must be turned in on the day of the student’s return to class (or at the discretion of the teacher) in order to receive credit. Teachers are not required to give credit for unexcused absences. Failure to complete assignments will directly influence grades. The completed form must be turned into the Assistant Head of School for Academics BEFORE the requested day of absence. A copy will be retained by the student for homework reference.

Partial-Day Absences
Arriving late to school, i.e. missing class in one or more periods is an unexcused absence unless the student attends a medical appointment and returns with a note from the doctor’s office. A student must be present for four class periods or two periods on a block day prior to a school extracurricular activity to attend either as a participant or a spectator. Any exception must be granted by the Assistant Head of School for Students or designated administrator.

Tardy Policy
Tardiness to the first class or activity: Students will be given a period of grace and allowed three “no-fault” tardies per semester. Each tardy after that is a detention. If a student is late to school he/she must check in at the main office before going anywhere else on campus.

Students need to be at the Grotto for morning prayer and announcements before the second bell. Students arriving after the second bell will be considered tardy to school.

During the school day: Students arriving over 20 minutes late to a class period will be recorded as absent for that period. Students arriving less than 20 minutes late are tardy.

Class time missed due to being tardy will be considered as unexcused.

Absences and Scheduled Exam/Assignment Due Dates
Students have a responsibility to prepare for and sit for exams, as scheduled by the teachers, in each of their classes. They also have a responsibility to have completed writing assignments and term papers by the dates those assignments are due. The following rules apply:
Exams: Students missing a scheduled exam due to a partial-day absence must be prepared to take the exam, if a make-up exam is permitted, at the determination of the teacher. It is the final decision of the teacher whether the test will be given that day or another day. If the student is told the test will be that same day after classes, and the student fails to appear, the teacher may assign a failing grade for the test in accordance with Villanova academic policy. Students missing a scheduled exam due to a complete-day absence, or the absence of more than one day, must be prepared to take the exam on the day that they return to school. It is the final decision of the teacher whether the test will be given that day or another day, unless the administration has issued previous directions.

Assignment Due Dates: Term papers, writing assignments, class projects, and other assignments with specific completion dates are due no later than the scheduled time/date of completion. Students who are absent for a partial day or an entire day (whether excused or unexcused) on the date that such a paper or assignment is due must arrange for the paper or assignment to reach the appropriate teacher no later than the deadline set by the teacher. Teachers may designate such a time as no later than 8:00 AM.

A student who misses an exam of any kind due to an unexcused absence receives a zero. A student who misses work completed in class due to an unexcused absence receives a zero on that in-class work.

Student Checkout / Check in Procedures
Students may not leave campus without checking out in the main office for any appointment or illness. If a student is not feeling well they must see the school nurse before they are given permission to leave school. Parents must pick up a student or give permission for a student to drive themselves in order for a student to be released from campus.

Any time a student returns to campus after an absence, or an off campus appointment he/she must check in the main office with the secretary before attending any classes or activities.

SECTION VIII: ADDITIONAL POLICIES

Villanova Preparatory School is a Catholic school and is guided in many of its policies by the Archdiocese of Los Angeles. The following policies adhere to the recommendations of the Archdiocese of Los Angeles.

HARASSMENT OF STUDENTS IN CATHOLIC SCHOOLS
Villanova Preparatory School is committed to provide a learning environment that is free from harassment in any form. Harassment of any student by any other student, lay employee, religious or priest is prohibited. The School will treat allegations of harassment seriously and will review and investigate such allegations in a prompt, confidential and thorough manner.

A charge of harassment shall not, in and of itself, create the presumption of wrongdoing. However, substantiated acts of harassment will result in disciplinary action, up to and including dismissal. Students found to have filed false or frivolous charges will also be subject to disciplinary action, up to and including dismissal.

Harassment occurs when an individual is subjected to treatment or a school environment which is hostile or intimidating because of the individual’s race, creed, color, national origin, physical disability or sex. Harassment can occur any time during school or during school related activities. It includes, but is not limited to, any and all of the following:

VERBAL HARASSMENT: Derogatory comments and jokes; threatening words spoken to another person;

PHYSICAL HARASSMENT: Unwanted physical touching, contact, assault, deliberate impeding or blocking movements, or any intimidating interference with normal work or movement;

VISUAL HARASSMENT: Derogatory, demeaning or inflammatory posters, cartoons, written words, drawings, gestures, and;

SEXUAL HARASSMENT: Includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature.

Bullying is the habitual harassing, intimidating, tormenting, browbeating, humiliating, terrorizing, oppressing and/or threatening of another person. Bullying typically consists of direct behaviors, such as teasing, taunting, threatening, hitting, shoving, and stealing that are initiated by one or more students against a victim or victims. In addition to direct attacks, bullying may also be indirect, such as spreading rumors that cause victims to be socially isolated through intentional exclusion. Whether the bullying is direct or indirect, the key component of bullying is physical or psychological intimidation that occurs repeatedly over time to create an ongoing pattern of harassment and abuse.

Cyber bullying occurs when students bully each other using the Internet, mobile phones or other cyber technology.
This can include, but is not limited to:

- Sending inappropriate text, e-mail, or instant messages
- Posting inappropriate pictures or messages about others in blogs or on websites
- Using someone else’s user name to spread rumors or lies about someone

**Hazing** is any method of initiation or pre-initiation into a student organization or student body or any pastime or amusement engaged in with respect to these organizations which causes, or is likely to cause, bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm, to any student or other person.

**It is the responsibility of Villanova Preparatory School to:**
1. Implement this policy through regular meetings with all administrators, ensuring that they understand the policy and its importance.
2. Make all faculty, staff, students, and parents aware of this policy and the commitment of the school toward its strict enforcement.
3. Remain watchful for conditions that create or may lead to a hostile or offensive school environment.

**It is the student’s responsibility to:**
1. Conduct himself or herself in a manner which contributes to a positive school environment;
2. Avoid any activity that may be considered discriminatory, intimidating or harassing;
3. Consider immediately informing anyone harassing him or her that the behavior is offensive and unwelcome;
4. Report all incidents of discrimination or harassment to the Head of School or another administrator; and
5. If informed he or she is perceived as engaging in discriminatory, intimidating, harassing or unwelcome conduct, to discontinue that conduct immediately.

**STUDENT THREATS**
All student threats to inflict serious harm to self or others, or to destroy property, will be taken seriously. Whoever hears or becomes aware of any threat made by a student should immediately report it to an administrator or a teacher. The administration will notify the police. The Department of Catholic Schools will also be notified.

The student who has made the threat will be kept in the school office under supervision until the police
The parents/guardians of the student who has made the threat will be notified. Any adult or student who has been identified as a potential victim, or mentioned in writing as a potential victim, will be notified immediately. The student who has made the threat, shall be suspended until the investigation by the police and school has been completed.

The decision to re-admit a student who has made a threat will be made by the Head of School on a case-by-case basis.

Practical jokes or off-hand comments of a threatening nature will be taken seriously and will be investigated. These actions may result in suspension or removal of a student from school.

COMPLAINT FILING AND INVESTIGATION PROCEDURES
The following procedures will be followed for filing and investigating a harassment claim:

1. The student may first choose to tell the individual causing the harassment that his/her conduct is offensive and must stop. If the objectionable behavior does not cease immediately, the student must report the harassment to an administrator, or to a teacher who will report it to the Head of School or Assistant Head of School for Academics, is the subject of the allegation. Additionally, in the case of sexual harassment allegations, the student is free to raise the issue with another, same sex, administrator if he/she prefers to do so.

2. The student alleging harassment will be asked to complete a formal, written complaint. The claim will be investigated thoroughly, involving only the necessary parties. Confidentiality will be maintained as much as possible.

3. The investigation will include a meeting with the person alleged to have harassed, sharing with that person the nature of the allegations as well as the name of the person bringing the allegations. If appropriate, the alleged harasser will be placed on administrative leave during the course of the investigation.

4. Once the facts of the case have been gathered, the Head of School will decide what, if any, disciplinary actions are warranted. The disciplinary action will relate to the nature, context, and seriousness of the harassment and can include all disciplinary actions up to and including immediate termination.

5. If the complaint is against a non-employee or non-student, such as a parent, parishioner, volunteer or vendor, the school will take steps, within its power, to investigate and eliminate the problem.

SCHOOL SEARCHES
Students’ legitimate expectations of privacy in person and in the personal effects they bring to school must be balanced against the obligation of the school to maintain discipline and to provide a safe
environment for the school community. Accordingly, school officials may conduct a search of the student’s person and personal effects based on a reasonable suspicion that the search will disclose evidence that the student is violating or has violated the law or a school rule. School officials do not need a warrant or a parent’s permission to conduct a search of the student and/or the school’s or a student’s personal property, as long as they have reasonable suspicion, that a law or school rule is being or has been violated. Whenever a school administrator conducts a search of a student’s person or personal affects; an adult witness will be present.

Students do not own their lockers or other school property. Lockers are made available to the student by the school. The student does have some expectation of privacy in his/her locker from other students. However, a student may not exclude school officials if the school official has a reasonable suspicion that a law or school rule has been violated.

A student has a greater expectation of privacy concerning his/her backpack, purse, clothing and other personal effects. A school official who finds it necessary to conduct a search of a student’s backpack, purse, clothing or personal effects, will have a reasonable suspicion that a law or school rule is being or has been violated. The student’s parents will be notified of any such search.

An alert from trained and certified detector dog is sufficient to allow the school official to have a reasonable suspicion and to conduct a warrantless search of the student’s locker, car or his/her personal property and effects. In addition to this policy on searches by the school, every student is subject to the Archdiocesan and school use and privacy policies concerning cell phones and other electronic devices, whether the devices belong to the school or to the student.

If a student refuses to cooperate in a reasonable search of the school or student property (including electronic devices), the student’s parents and/or the police may be called for assistance or referral. At times the school may use alcohol detecting devices at school events to screen students.

**POLICY ON STUDENT PREGNANCY**

A primary purpose of Catholic education is to guide out students’ growth in Christian values and moral conduct. Catholic values stress that the body is the temple of the Holy Spirit and that the sanctity of family life is enhanced through fulfillment of God’s plan as expressed by a loving and permanent commitment. Premarital sexual activity is contrary to these values.

However, when a pregnancy occurs outside of marriage, the school community should seek to offer support to the pregnant student and/or the student father so that the pregnancy can be brought to term. The reality of the situation, in all its dimensions, is to be treated in a Christian and humane manner.

Students involved in a pregnancy have changed their status quo and thus some of their obligations, responsibilities and priorities. They have accepted the responsibility of bringing a new human life into the world. Such responsibility necessitates a change in status especially in terms of activities and priorities in the school.

In order to insure the best interests of the student(s), parents, and the school community, the following guidelines will be implemented:

- When the pregnancy is known to school personnel by whatever means, the Head of School will
meet with the girl and both parents and/or other guardians.

- If the father of the child is identified, and if he is a student in a Catholic school, the Head of School will meet with him and his parents.
- The position of the Catholic Church is very clear, and supports respect for life in all cases.

MARRIED STUDENT POLICY
Central to the philosophy of Villanova Preparatory School is the belief that parents are the primary educators of their children. In support of this, the school and parent work in close collaboration in all aspects of the student’s educational process. Since a married student is in effect no longer accountable to a parent or guardian, the relationship between the school and the parent is compromised. Therefore, any student who marries will not be allowed to attend Villanova Preparatory School.

POLICY ON STUDENTS NO LONGER LIVING WITH A PARENT OR GUARDIAN
Central to the philosophy of Villanova Preparatory School is the belief that parents are the primary educators of their children. In support of this, the school and the parent work in close collaboration in all aspects of the student’s educational process. A day student not living in the home of a legal custodial parent or legal guardian may not be allowed to attend Villanova Preparatory School.

CONFIDENTIALITY AND PRIVACY

Privacy and Access to Records
Maintaining confidentiality is the legal, ethical and professional responsibility of every member of the school community, including students, parents/guardians, teachers, and all other employees, and administrators.

Pupil Records
“Pupil records” means any record related to a student that is maintained by a school or one of its employees. It includes health records.

Only the Head of School, as custodian of the records, authorizes the release of pupil records. Only teachers or administrators charged with pupil oversight have the right to view or use pupil records. Pupil records may be released by judicial order such as a subpoena or a search warrant. In specific cases, such as suspicion of kidnapping, police officers may be given access to records.

Parents and legal guardians of minors have the right to access their child’s pupil records in accordance with the school’s reasonable procedures for providing such access. Parents or legal guardians may grant any specified person written consent to access specifically identified pupil records. In cases of legal separation and/or divorce, California state law gives the custodial parent and a non-custodial parent with visitation rights, the right to access and examine pupil records. However, only the custodial parent may consent to the release of records and has the right to challenge the content of the records and to write responses to information regarding disciplinary action. A non-custodial parent without visitation rights has no right to access to records of any kind.
Directory Information
“Directory Information” means one or more of the following items: pupil’s name, address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous public or private school attended by the pupil.

The school will, to the extent possible, minimize access to student telephone numbers or personal e-mail addresses, unless the parents or legal guardians consent to broader access.

To the extent possible, users should try to minimize access to or distribution of student telephone numbers or personal email addresses, unless the parents or legal guardians consent to broader access.

Class parent rosters, class lists, telephone numbers, e-mail address lists or any other personal information about families and student are considered confidential and may be used only for the purposes specified. In no case should commercial enterprises be given access to Directory Information.

Verbal/Written Confidence
Confidential information may be provided by students or parents/guardians to school employees in many ways. Students may confide in staff verbally, in writing, such as a note or a writing/journal assignment.

All school employees must respect the verbal or written confidences of adults and students, except in cases where the health or safety of the student or others is involved. If the confidence received relates to a health or safety issue, the Head of School or appropriate authorities must be notified promptly, keeping in mind the rights of privacy that apply. Archdiocesan policy on reporting suspected abuse of children or vulnerable adults must be followed when applicable.

POLICY FOR INTERPRETER
Villanova Preparatory School requests that parents/guardians who are non-English speakers provide an interpreter when meeting with school personnel. Proper communication will provide a more-timely resolution to any questions that may arise between parents/guardians and the School.

International Baccalaureate Programme

In 2015 Villanova Preparatory School was authorized as an International Baccalaureate (IB) World School. The Diploma Programme (DP) is a curriculum framework designed by the International Baccalaureate for students in their junior and senior years completing high school.

Students may choose to take individual courses in depth or challenge themselves to go for the full diploma. Students graduating with the full diploma are able to study at universities all over the world, often with advanced credit. These college courses in the Diploma Programme will enable our students to be more successful in the university setting through research, writing, critical thinking, time management, Learner Profile, and a sense of self confidence. More importantly, these skills are usually life-long in giving the IB graduates an understanding and respect for other people, cultures, and ecological issues and their responsibilities to them.

The Diploma Programme requires students to study six subjects (three at the standard level and three at the higher level) over two years and complete three additional core requirements: theory of knowledge (TOK), the extended essay (EE), and creativity, activity and service (CAS) hours outside of class. Additionally, students must earn a minimum of 24 points out of a possible 45 points on final assessments which are externally marked, in order to receive an IB diploma.
IB learner profile

The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

As IB learners we strive to be:

**INQUIRERS**
We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.

**KNOWLEDGEABLE**
We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.

**THINKERS**
We use critical and creative thinking skills to analyse and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.

**COMMUNICATORS**
We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.

**PRINCIPLED**
We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.

**OPEN-MINDED**
We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.

**CARING**
We show empathy, compassion and respect. We have a commitment to service, and we act to make a positive difference in the lives of others and in the world around us.

**RISK-TAKERS**
We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.

**BALANCED**
We understand the importance of balancing different aspects of our lives—intellectual, physical, and emotional—to achieve well-being for ourselves and others. We recognize our interdependence with other people and with the world in which we live.

**REFLECTIVE**
We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.

The IB learner profile represents 10 attributes valued by IB World Schools. We believe these attributes, and others like them, can help individuals and groups become responsible members of local, national and global communities.
Conflict Resolution
There are times that students may have an issue of miscommunication or dispute that involves a fellow student, faculty, or staff member. In keeping with our mission we want to approach every situation with the values of Truth, Love and Community.

In order to seek resolution, the following steps are appropriate:

1. As a Catholic Christian school we take the approach that the first step to solving the conflict would be **appeal to the person directly**.

   - If resolution is not reached, **Students** should contact the following.

   - See the Academic Counselor for issues that involve grades, homework, tests, and/or papers.

   - See the Guidance Counselor when the conflict involves personality conflicts, and/or social/emotional well-being.

   - **Athletic Director** when the issue involves a coach of a sports team.

   - **Director of Resident Life** when the issue involves resident life staff.

2. If the conflict is still not resolved, the **Head of School** may be consulted. The Head of School is involved only after the above steps have been exhausted. The decision of the Head of School is the highest level of appeal, and both parties will be obliged to accept this decision.

Tradional Prayer of Villanova Students

Direct we beseech You, O Lord,
All our actions by Your holy inspiration and carry them out by Your gracious assistance
So that every prayer and good work of ours
May always begin from You
And by You be happily ended
Through Christ our Lord. Amen.
Leader: You have made us for Yourself, O Lord,
Response: and our hearts are restless until they rest in You.

St. Augustine, pray for us.
St. Monica, pray for us.
St. Thomas of Villanova, pray for us.

“Do what you can and then pray to God to do what you cannot.”
-St. Augustine of Hippo

Villanova Alma Mater

When the twilight shadows gather
Out upon the campus green.
When the blue and purple night
Comes stealing on the scene:
Loyal heirs of Villanova
Sing a hymn of praise
To our dear old Alma Mater
And our high school days.
